**Maxim Turn-Key Program:** Maxim will provide licensed trained nurses (RNs and LVNS), clerical assistants, vaccine, all ancillary supplies (gloves, syringes, alcohol wipes, Band-Aids, Etc), all required paperwork (Physician Order, Patient/Parental Consent Form, VIS, CAIR Disclosure, State Reporting Requirements). Maxim will provide School/County copies of the patient consent form/yellow card for data and recording purposes. If School or County needs additional patient data keyed, uploaded or other means of data management and reporting there could be additional charges for these services. School/Counties will take responsibility of securing venues/space, communicating/marketing program to parents/surrounding community, tables, chairs, Etc.

**Vaccine Administration Fee:** School/County will provide vaccine and all ancillary supplies. Maxim will provide nurses to administer vaccine, clerical assistants to help with paperwork, Maxim will also provide the standing physician order, patient/parental consent form, all necessary paperwork, copies of patient consent/records back to the County/School and removal of Bio-Hazard Waste. If School or County needs additional patient data keyed, uploaded or other means of data management and reporting, there could be additional charges for these services. School/County will take responsibility of securing venues/space, communicating/marketing program to parents/surrounding community, tables, chairs, Etc.

**Vaccine Administration and Supplies:** School/County will provide vaccine. Maxim will provide nurses to administer vaccine, all ancillary supplies, clerical assistants to help with paperwork, Maxim will also provide the standing physician order, patient/parental consent form, all other necessary paperwork, copies of patient consents/records back to the County/School and removal of Bio-Hazard Waste. If School or County needs additional patient data keyed, uploaded or other means of data management and reporting there could be additional charges for these services. School/County will take responsibility of securing venues/space, communicating/marketing program to parents/surrounding community, tables, chairs, Etc.

**Supplemental Nurse Staffing:** Maxim will provide licensed RNs and LVNs to County or School at a contracted hourly rate of \$50 per hour. County or School is responsible for providing everything necessary to successfully run a Tdap vaccination program in accordance to County and State laws. In addition to nurses Maxim can provide clerical assistance at a sub-contracted rate of \$25 per hour.
